From the Director

Winter is a perfect time to take classes in Community Education. Our classes provide opportunities to learn new skills, while meeting new people in our communities.

CUE's purpose is to unite the Siren and Webster School Districts, in order to provide intergenerational, life-long learning opportunities, through partnerships that address community needs. By encouraging school and community partnerships, we can work together to improve quality of life, and add value to our community through efficient use of combined resources.

Community Education is your chance to enjoy learning for a lifetime. My goal is to provide programs that are timely and responsive to community needs. I encourage you to challenge yourself – step out and try something new! By doing so you can enrich your life or reach your professional goals.

Sincerely,
Jennifer Swenson

OUTDOORS

Starwatch Party

Instructor: Mike Lynch

You're invited to Make the stars your old friends as we watch the great celestial show in the winter skies above. This night with the stars begins with an indoor orientation followed by quality time outside under the heavens. We'll use large reflecting telescopes that are among the largest mobile telescopes in the area for close up views of the planet Jupiter, star clusters, nebulae, galaxies and other wonders. We'll use a camera-telescope for extra special views of our more distant universe. You'll receive a package with user-friendly star maps and constellation charts, websites, a telescope-buying guide, and more! Mike Lynch is a meteorologist at WCCO Radio and has been teaching astronomy for over 40 years.
